Subject: PVC Fittings – DWV Pricing Adjustment

NAPCO Pipe & Fittings is implementing a price adjustment for our DWV series (schedule 40) that will be effective August 1, 2019. Please note this adjustment will primarily reflect a 7% increase on 4-8" product (divide March 1, 2019 list price by 0.93). Please refer to our 08/01/2019 price list for specific pricing changes as some DWV items will be separately adjusted to remain competitive in the marketplace. The new list prices will available for download at www.napcopipe.com on or before July 8, 2019.

We appreciate your past patronage and look forward to servicing your PVC fitting requirements in the future.

Sincerely,
